**THE BOEING COMPANY**  
**COST ACCOUNTING STANDARDS NOTICES AND CERTIFICATION**

This notice is in six parts, identified by Roman numerals I through VI. Bidders shall examine each part and provide the requested information in order to determine Cost Accounting Standards (CAS) requirements applicable to any resultant contract.

**I. DISCLOSURE STATEMENT – COST ACCOUNTING PRACTICES AND CERTIFICATION**

- A. Any contract in excess of \$500,000 resulting from this solicitation will be subject to the requirements of the Cost Accounting Standards Board (48 CFR Chapter 99), except for those contracts which are exempt as specified in 48 CFR Subpart 9903.201-1. If Buyer's solicitation indicates that the CAS threshold is \$100,000, the \$500,000 threshold above shall be deemed to be \$100,000.
- B. Any bidder submitting a proposal which, if accepted, will result in a contract subject to the requirements of 48 CFR Chapter 99 must, as a condition of contracting, submit a Disclosure Statement as required by 48 CFR 9903.202. When required, the Disclosure Statement must be submitted as a part of the bidder's proposal under this solicitation unless the bidder has already submitted a Disclosure Statement disclosing the practices used in connection with the pricing of this proposal. If an applicable Disclosure Statement has already been submitted, the bidder may satisfy the requirement for submission by providing the information requested in Paragraph C of Part I, below.

**CAUTION:** In the absence of specific regulations or agreements, a practice disclosed in a Disclosure Statement shall not, by virtue of such disclosure be deemed to be a proper, approved, or agreed-to practice for pricing proposals or accumulating and reporting contract performance cost data.

C. Check the appropriate box below:

The bidder hereby certifies that the bidder, together with all divisions, subsidiaries, and affiliates under common control, did not receive net awards of negotiated prime contracts and subcontracts subject to CAS totaling more than \$50 million (of which at least one award exceeded \$7.5 million) in the cost accounting period immediately preceding the period in which this proposal was submitted. The bidder further certifies that if such status changes before an award resulting from this proposal, the bidder will advise the Contracting Officer/Buyer immediately.

**CAUTION:** Bidders currently required to disclose because they were awarded a CAS-covered prime contract or subcontract of \$50 million or more in the current cost accounting period may not claim this exemption (4). Further, the exemption applies only in connection with proposals submitted before expiration of the 90-day period following the cost accounting period in which the monetary exemption was exceeded.

**II. COST ACCOUNTING STANDARDS – EXEMPTION FOR CONTRACTS OF \$500,000 OR LESS**

See Part VI

**III. COST ACCOUNTING STANDARDS – ELIGIBILITY FOR MODIFIED CONTRACT COVERAGE**

If the bidder is eligible to use the modified provisions of 48 CFR, Subpart 9903-201-1(b) and elects to do so, the bidder shall indicate by checking the box below. Checking the box below shall mean that the resultant contract is subject to the Disclosure and Consistency of Cost Accounting Practices clause in lieu of the Cost Accounting Standards clause.

The bidder hereby claims an exemption from the Cost Accounting Standards clause under the provisions of 48 CFR, Subpart 9903-201-2(b) and certifies that the bidder is eligible for use of the Disclosure and Consistency of Cost Accounting Practices clause because (i) during the cost accounting period immediately preceding the period in which this proposal was submitted, the bidder received less than \$50 million in awards of CAS-covered prime contracts and subcontracts, or (ii) the bidder did not receive a single CAS-covered award exceeding \$7.5 million. The bidder further certifies that if such status changes before an award resulting from this proposal, the bidder will advise the Contracting Officer/Buyer immediately.

**CAUTION:** A bidder may not claim the above eligibility for modified contract coverage if this proposal is expected to result in the award of a CAS-covered contract of \$50 million or more or if, during its current cost accounting period, the bidder has been awarded a single CAS-covered prime contract or subcontract of \$50 million or more.

**IV. ADDITIONAL COST ACCOUNTING STANDARDS APPLICABLE TO EXISTING CONTRACTS**
