

ISO 9000 Series Quality Systems ISO Quality Code ISO2

During the performance of this Contract/Purchase Order (C/PO), the seller shall maintain a quality system that satisfies program objectives and is based on the applicable elements specified in ISO 9002 – 1994E (or registered equivalent).

Third party registration of the sellers quality system is not required.

Sellers who have achieved ISO 9002 or higher quality system registration from an accredited third party registrar shall notify the buyer in writing in the event seller's ISO 9002 quality system registration certificate is revoked, suspended or expired.

Notification shall be within 5 working days of the revocation, suspension, or expiration.

The buyer has the right to conduct ISO 9002 quality system /process assessments (audits) at seller's facility as required.

Seller shall notify buyer, in writing in the event of a change in management or ownership or facility relocation.

Material review authority (including repair or use as is) is not specifically granted on this order, unless authorized elsewhere in this Contract/Purchase Order.

Please contact the buyer should you have any questions regarding this code.
