### Digital Product Definition (DPD)

Seller is required to obtain Buyer approval as a DPD-capable supplier if Seller receives, downloads, and/or uses Computer Aided Design (CAD) geometry in any format from any Pratt & Whitney Rocketdyne, Inc (PWR) facility. PWR digital datasets are reference only (not design or inspection authority) until DPD approval status is obtained.

The Seller should utilize Buyer document D6-51991, Quality Assurance Standard for Digital Product Definition at Boeing Suppliers for implementation of Digital Data control processes.

A copy of Buyer Document D6-51991, including all appendices and addenda can be obtained at the following URL address:
