CHANGE CONTROL OF BASELINE DOCUMENTS CONTRACT
GROUPING SPECIFICATION SSME (RL00144) OR R12-1
(RL10101)

Seller and Seller's subcontractors shall maintain verifiable objective evidence that contracted revisions of controlled specifications supporting design and construction of articles comprising this order correspond with the applicable contract grouping specification.

Contract grouping specifications establishes first and sub-tier supporting specifications which must be controlled to specific changes in accordance with the contract or contract amended document.
