

RC-31
FIRST ARTICLE INSPECTION (With Boeing Source)

Seller shall perform a First Article Inspection (FAI) in conjunction with Boeing Source Inspection per requirements of specification SAE AS9102 at first production run, and shall perform a comparable inspection at production change points or for specified articles following inspection tooling changes, design changes, or evident Quality degradation. This includes all details and sub-assemblies, which constitute the end item ordered.

When documenting the FAI, the Seller may use the forms contained within SAE AS9102 or their equivalent, so long as the forms contain all the information required by SAE AS9102.

Seller will include results of FAI with shipment of deliverable product to Buyer.

IF SELLER IS A "SUPPLIER WORLD" SUPPLIER, THEN SELLER SHALL USE THE AUTOMATED SOURCE INSPECTION REQUEST SYSTEM (ASIRS) TO REQUEST FIRST ARTICLE.

IF SELLER IS NOT A "SUPPLIER WORLD" SUPPLIER, THEN SUPPLIER SHALL CALL THE SOURCE DISPATCH HOTLINE AT (818) 586-2790 TO OBTAIN BUYER'S SOURCE INSPECTION PRIOR TO PERFORMING THE REQUIRED FIRST ARTICLE INSPECTION.
