

RC-35

Digital Product Definition (DPD)

Seller is required to obtain Buyer approval as a DPD-capable supplier if Seller receives, downloads, and/or uses Computer Aided Design (CAD) geometry in any format from any Boeing facility. Boeing digital datasets are reference only (not design or inspection authority) until DPD approval status is obtained.

The Seller should utilize Buyer document D6-51991, Quality Assurance Standard for Digital Product Definition at Boeing Suppliers for implementation of Digital Data control processes.

A copy of Buyer Document D6-51991, including all appendices and addenda can be obtained at the following URL address:
