

CLAUSE A-014

CODE OF CONDUCT & ETHICS

Pratt & Whitney Rocketdyne, Inc. (PWR) a wholly owned subsidiary of United Technologies Corporation is committed to conducting this procurement fairly, impartially, and in an ethical and proper manner. In the event that Bidder has cause to believe that PWR or any PWR employee or agent has acted improperly or unethically in connection with this solicitation, Bidder shall report such conduct to the Pratt & Whitney Rocketdyne, Inc. or United Technologies hotline. Copies of United Technologies Corporation's Code of Ethics and contacts for such reports are available on http://www.utc.com/responsibility/ethics/brochure_list.htm under "Governance and Codes of Ethics." PWR will not use the failure to make such a report as a basis for rejecting Bidder's proposal. Bidder is nonetheless encouraged to exert reasonable efforts to make such reports when warranted.
