

Q001 – (SAE - AS9100 Quality Management Systems – Aerospace Requirements)

During the performance of this Contract/Purchase Order (C/PO), the seller shall maintain a quality system that satisfies program objectives and is based on the applicable elements of AS9100, Revision B.

Third party registration is expected.

Sellers who have achieved AS9100 registration from an accredited third party registrar shall notify Buyer in writing in the event the seller's AS9100 quality system registration is revoked, suspended or expired.

Notification shall be within 2 working days of the revocation, suspension, or expiration.

Seller shall notify buyer, in writing in the event of a change in management or ownership or facility relocation.
