

Q008 – Aerospace Supplier Quality Requirements (ASQR-01), Revision 6

ASQR-01 is a requirement of this purchase contract. Your company must be approved by PWR to ASQR-01 prior to any delivery under this contract.

If seller is not already approved to ASQR-01 by PWR, then survey approval is required.

The provisions of Buyer's Purchase Contract titled "**Aerospace Supplier Quality Requirements**" (**ASQR-01**) are supplemented by the following:

Paragraph 4.2.4(2) Control of Records is deleted in its entirety and replaced with the following:

(2): Retain quality records and make them available for the applicable retention period as specified in the purchase contract.

Paragraph 7.2.3(a) Customer Communication is amended as follows:

Changes that may affect quality must be documented and communicated prior to effectivity of change to your Buyer:

EXAMPLE OF CHANGES:

- Quality Manager

Paragraph 7.2.3(b) Supplier Request for Information (SRI), ASQR-01 Form 3, is amended as follows:

Supplier Request for Information (SRI), ASQR-01 Form 3, shall be submitted to **Supplier Quality Group Mailbox** identified as: **GP-PWR-Supplier-Quality@pwr.utc.com**

Paragraph 7.2.3(c)2 Provide UTC members Supplier Quality Assurance with a company owned e-mail address is amended as follows:

Submit email addresses and any changes to the Supplier Quality Group Mailbox identified as: **GP-PWR-Supplier-Quality@pwr.utc.com**

Paragraph 8.2.4(2) Monitoring and Measurement of Product is amended as follows:

Submit Form 3 to Supplier Quality Group Mailbox: **GP-PWR-Supplier-Quality@pwr.utc.com**

Paragraph 8.3 Control of Nonconforming Product, paragraph (c) is amended as follows:

The cognizant UTC member (**Buyer**) must be informed immediately **in writing** (not to exceed 24 hours or next business day) of suspect nonconforming product shipped regardless of destination.
