CUSTOMER CONTRACT REQUIREMENTS

If Form GP1 is applicable to this procurement, this Attachment constitutes the Government clauses contemplated by Article 46. If Form GP3 is applicable to this procurement, this Attachment constitutes the Government clauses contemplated by the article entitled "US Government Provisions and Clauses for Services under US Government Contracts". If Form GP4 is applicable to this procurement, this Attachment constitutes the Government clauses contemplated by Article 33. If this contract is for the procurement of commercial items, as defined in FAR Part 2.101, see Section 3 below.

1. The following contract clauses are incorporated by reference from the Federal Acquisition Regulation and apply to the extent indicated. In these clauses the parties are suitably modified therein to reflect the parties to this Purchase Contract in such a way, and such clauses shall be interpreted and construed in such a manner, as to be consonant with Buyer's business and contractual relationship with its customer (higher tier subcontractor, the Government or otherwise), if any. Unless otherwise provided, the clauses are those in effect on August 4, 2000.

- 52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions
- 52.203-12 Limitation on Payments to Influence Certain Federal Transactions
- 52.203-6 Restrictions on Subcontractor Sales to the Government
- 52.203-10 Price or Fee Adjustment for Illegal or Improper Activity As an express condition of the award of this subcontract, Seller represents and warrants to Buyer that in relation to the award of the prime contract under which this subcontract is issued, Seller has complied, and will continue to comply with all Procurement Integrity provisions of the Office of Federal Procurement Policy Act of 1988, as amended by the Fiscal Year 1996 National Defense Authorization Act (the Act), 41 USC 423, and its implementing Federal Acquisition Regulations (see FAR 3.104). For violations of the Act by Seller or Seller's subcontractors, as determined by notice from the U.S. Government:

- (1) Seller shall reimburse the Buyer, by contract price adjustment or otherwise, the amount by which Buyer's price or fee is reduced pursuant to FAR 52.203-10, and
- (2) Buyer shall have the right to terminate this subcontract for default. The rights and remedies of Buyer provided for under this clause are in addition to any other rights or remedies provided by law or under this contract. The rights and obligations set forth in this clause shall survive completion of, final payment under, or termination of this contract.

52.203-7 Anti-Kickback Procedures

Seller agrees to abide by the Anti-Kickback Act of 1986 (41 USC 51 through 58) and FAR 52.203-7, "Anti-Kickback Procedures," which is incorporated herein by reference, except that subparagraph (c)(1) of FAR 52.203-7 shall not apply to Seller, and further that in subparagraphs (c)(2), (c)(3), and (c)(5), the term "Contractor" shall mean Seller, and in subparagraph (c)(4) the term "Prime Contractor" shall mean Buyer and the term "Subcontractor" shall mean Seller. In addition to reporting possible violations of the Anti-Kickback Act to the Government pursuant to 41 USC 57, Seller shall report such possible violations, if related to Buyer, to the Director of Materiel and/or the counsel of the Boeing group or subsidiary issuing this purchase contract. Seller agrees to hold Buyer harmless, defend Buyer against, and indemnify Buyer for all costs, expenses, and offsets Buyer may incur as a consequence of violations of this clause by Seller or by Seller's subcontractors or suppliers. The rights and obligations set forth in this clause shall survive completion of, final payment under, or termination of, this contract.

3. If goods or services being procured under this contract are for commercial items and Clause H203 is set forth in the purchase order, the foregoing Government clauses in Sections 1 and 2 above are deleted and the following FAR/DFARS clauses are inserted in lieu thereof:

52.219-8 Utilization of Small Business Concerns (OCT 2000). Include in all subcontracts that offer further subcontracting opportunities. If a subcontract (except subcontracts to small business concerns) exceeds \$500,000 (\$1,000,000 for construction of any public facility), Seller and any lower tier subcontractor must include 52.219-8 in lower tier subcontracts that offer subcontracting opportunities.

52.222-26 Equal Opportunity (subparagraph (b)(1) through (11)) (APR 2002).

52.222-35 Affirmative Action for Special Disabled and Vietnam Era Veterans (Dec 2001). This clause applies only if this contract exceeds \$25,000.

52.222-36 Affirmative Action for Handicapped Workers (JUN 1998). This clause applies only if this contract exceeds \$10,000.

52.247-64 Preference for Privately Owned U.S.-Flag Commercial Vessels (APR 2003). This clause only applies if this contract is (i) a contract or agreement for ocean transportation services; or a construction contract; or (ii) the supplies being transported are (a) Items the Contractor is reselling or distributing to the Government without adding value (generally, the Contractor does not add value to the items when it subcontracts items for f.o.b. destination shipment); or (b) shipped in direct support of U.S. military (1) contingency operations; (2) exercises; or (3) forces deployed in connection with United Nations or North Atlantic Treaty Organization humanitarian or peacekeeping operations.

252.225-7014, Preference for Domestic Specialty Metals (MAR 1998), Alternate I (MAR 1998).

252.247-7023 Transportation of Supplies by Sea (MAR 2000). This clause applies only if this contract exceeds \$100,000 and are a type of supplies described in paragraph (b)(2) of this clause. In paragraph (c), "45 days" is changed to "60 days". In paragraph (g) "Government" means Buyer.

252.247-7024 Notification of Transportation of Supplies by Sea (MAR 2000). "Contracting Officer" and, in the first sentence of paragraph (a), "Contractor" mean Buyer. This clause applies only if the supplies being

transported are noncommercial items or commercial items that (i) Seller is reselling or distributing to the Government without adding value (generally, Seller does not add value to items that it contracts for f.o.b. destination shipment); (ii) are shipped in direct support of U.S. military contingency operations, exercises, or forces deployed in humanitarian or peacekeeping operations; or (iii) are commissary or exchange cargoes transported outside the Defense Transportation System in accordance with 10 U.S.C. 2643.

4. Cost Accounting Standards

- (1) (Applicable if this contract incorporates clause H001). The version of FAR 52.230-2, Cost Accounting Standards, incorporated by clause H001 is the version dated April 1998.
- (2) (Applicable if this contract incorporates clause H002). The version of FAR 52.230-3, Disclosure and Consistency of Cost Accounting Practices, incorporated by clause H002 is the version dated April 1998 .
- (3) (Applicable if this contract incorporates clause H003). The version of FAR 52.230-4, Consistency in Cost Accounting Practices, incorporated by clause H003 is the version dated August 1992.
- (4) (Applicable if this contract incorporates clause H004). The version of FAR 52.230-5, Cost Accounting Standards – Educational Institution, incorporated by clause H004 is the version dated April 1998

5. The following prime contract special provisions apply to this purchase order:

A. 14.0 Organizational Conflict of Interest (OCI)

Proposed suppliers that have signed a Government contract/subcontract with an OCI agreement as either prime or subcontractor for supplies or services related to hardware, software or support efforts, or performed work under any Government Contract that would result in a potential conflict as set forth in FAR 9.5, shall submit a written request to Buyer to obtain approval to participate in this acquisition. Any such request shall be submitted no later than 3 days from the date of Buyer's solicitation.

B. H-8 Non-Disclosure Agreements

During performance of the work, it may be necessary for supplier to exchange data and/or interface with Government support contractors. Seller agrees to negotiate in good faith any disclosure agreements required with such support contractors.

C. H-10 Impact of Government/Lockheed IPT Participation

Government personnel may frequently interface with Seller during Seller's performance of work. In so doing, they may offer advice, provide clarification and review Seller's work. Seller shall not construe such advice, clarification or review as a change under this contract.

D. 1-7 SOURCE SURVEILLANCE

In addition to inspections as otherwise provided in this subcontract and at no increase in subcontract price, Buyer or its customer may assign product assurance representatives to Seller's facilities to conduct and maintain surveillance as necessary to ensure quality and reliability. Seller likewise shall reserve such right to Buyer with respect to Seller's lower-tier subcontractors. If such examination is made, Seller shall provide, and require its subcontractors to provide, such representatives with reasonable facilities, equipment and unescorted access (except in areas where

proprietary processes or data are located in which case access shall be on an escorted basis) to all areas essential to the proper conduct of the above described activity.

E. 1-9 APPROVALS BY BUYER

Unless expressly stipulated elsewhere in this purchase contract as being excepted from this provision, wherever this Purchase Contract provides for submittal of designs, components, materials, processes, or other items for approval of Buyer, such approvals shall not be construed as a complete check as to the adequacy of said design, materials, processes, components or items, nor as an agreement that the design, materials, processes, components or items will meet the requirements of this Purchase Contract. Such approvals are for the purpose of insuring Buyer's knowledge of Seller's plans and progress and will indicate only that Seller's general approach toward meeting contractual requirements is satisfactory. Such approvals shall in no way relieve Seller of the responsibility for any error or deficiency which may exist in the submitted design, component materials, processes, or other item, and Seller shall be responsible for meeting all the requirements of this Purchase Contract.

F. 1-10 NOTICE REGARDING LATE DELIVERY – TIME OF THE ESSENCE

In the event Seller encounters difficulty in meeting performance requirements, or when Seller anticipates difficulty in complying with the subcontract delivery schedule or date, Seller shall immediately notify Buyer, in writing, giving pertinent details; provided, however, that this data shall be informational only in character and that this provision shall not be construed as a waiver by Buyer of any delivery schedule or of any rights or remedies provided by law or by this Purchase Contract. Time is of the essence in Seller's performance of this Purchase Contract.

G. 1-11 DELIVERY – ADVANCE MANUFACTURING OR PROCUREMENT

Delivery according to schedule is a major condition of this Purchase Contract. Seller shall not, without Buyer's prior written consent, manufacture or procure materials in advance of Seller's normal flow time or deliver in advance of schedule. In the event of termination or change, no claim will be allowed for any such manufacture or procurement in advance of Seller's normal flow time unless there has been prior written consent of Buyer. Unless advance shipment has been authorized in writing by Buyer, Buyer may return without further authorization of Seller, shipping charges collect, or store at Seller's expense, items delivered in excess of the number ordered or items delivered without authorization in advance of the delivery date as specified for such items. Invoices submitted for unauthorized early shipments will not be processed until the original specified delivery date.

H. 1-15 ACCIDENT REPORTING AND INVESTIGATION INVOLVING PRODUCTS AND SERVICES

- (a) Seller shall report promptly to Buyer all pertinent facts relating to each accident involving products being developed, manufactured, modified, repaired, tested or overhauled under or in connection with this contract, or involving services being performed hereunder. Seller shall also report promptly to Buyer all significant occurrences or incidents which could affect the safety or performance of the product or service.
- (b) Such notice shall be given by telephone or fax followed by a written report giving pertinent details of the accident or occurrence and the effect or potential effect on contract performance and product safety.
- (c) If Buyer, Buyer's customer or the cognizant Government Contracting Officer elects to conduct an investigation of the accident or occurrence, Seller will cooperate fully and assist until the investigation is complete.

Seller shall include the substance of this clause in each lower-tier subcontract which could have significant effect on performance, quality, reliability or safety of the products or services being provided under this purchase contract.

I. 1-16 SAFETY AND ACCIDENT PREVENTION

- (a) In performing any work under this purchase contract on premises which are under the direct control of the Government or Buyer, Seller shall, and shall require its lower-tier subcontractors to (i) conform to all safety rules and requirements prescribed by Buyer or the cognizant Government Agency and (ii) take such additional precautions as Buyer or the Government may reasonably require for safety and accident prevention purposes. Seller agrees to take all reasonable steps and precautions to prevent accidents and preserve the life and health of personnel performing or in any way coming in contact with the performance of this contract on such premises.
- (b) In performing work under this subcontract on Buyer or Buyer controlled premises, Seller shall, and shall require its lower-tier subcontractor to conform to the safety and health regulations of applicable Federal, State and local Occupational Safety and Health Agencies as well as those of Buyer.
- (c) Any violation of safety rules and regulations affecting work described in (a) and (b) above which results in injury or death or which endangers life or health personnel shall be grounds for termination for default of this purchase contract.
- (d) This purchase contract will be equitably adjusted under the Changes Clause if changes in safety regulations or requirements affecting work described in (a) and (b) above occurring after the date of this purchase contract affect costs, delivery or other provisions of this purchase contract.

J. 1-30 OFFSET IN PRIME CONTRACT

If the Contracting Officer who has cognizance over Buyer's prime contract reduces the prime contract, or if Buyer's customer or Buyer is fined or penalized by a Government Agency, as a result of any violation of any Public Law or Federal Regulation by Seller or Seller's lower-tier subcontractors, Buyer shall reduce the amount of this purchase subcontract by the same amount. If Buyer has already paid Seller, Seller shall, upon demand from Buyer, promptly repay to Buyer the amount of the offset. Exercise of Buyer's right under this clause shall not be a waiver of any rights Buyer has under any other clause or provision in this purchase contract.

K. 12. RESIDENT REPRESENTATIVES

- A. Buyer reserves the right to assign Buyer or customer representatives on an itinerant or resident basis at Seller's facilities or those of lower-tier subcontractors for the purpose of maintaining surveillance activities, including the right to witness any or all tests performed as part of the requirements of this purchase contract.
- B. Seller shall provide such representatives with reasonable facilities and equipment, and unescorted free access to all areas essential to the proper conduct of the aforementioned activity throughout all phases of design, development, manufacturing, testing, packaging and shipping.

Seller agrees to insert the substance of this clause, including this paragraph B., in each lower-tier subcontract hereunder.

L. H-12. IMPACT OF GOVERNMENT/CUSTOMER PARTICIPATION

Government or Buyer's customer personnel may frequently interface with Seller and its subcontractors during performance of this purchase contract. They may offer advise, facilitate rapid government feedback and approval of products and government support, provide clarification and review the progress of Seller and its subcontractors. However, the responsibility and accountability for successfully accomplishing the requirements of this purchase contract remain with Seller. Seller shall not construe such advice, reviews and clarifications as Buyer directed changes to the terms of this purchase contract.

M. H-17. SPECIAL CONTRACT REQUIREMENT REGARDING RETENTION/DEFERRED ORDERING/ DEFERRED DELIVERY OF TECHNICAL DATA/SOFTWARE AND RETENTION/AUDIT/ INSPECTION OF CONTRACT RECORDS PERTAINING TO SUCH TECHNICAL DATA/SOFTWARE:

- a. Pursuant to approved individual deviations to DFARs 252.227-7026 and DFARs 252.227-7027, the deferred delivery rights and deferred ordering rights of the Government with regard to the most current design disclosure documentation, to include software, to the lowest level required to provide complete configuration documentation to the program and all records pertaining to such design disclosure documentation shall be extended to five (5) years after acceptance of all Seller items under this purchase contract delivered by Buyer to its customer, or the termination of this purchase contract. Also pursuant to these deviations, Seller and its subcontractors (at any tier) shall retain all such design disclosure documentation and all records pertaining to such documentation for a period of five (5) years after acceptance of all Seller items under this Purchase Contract that Buyer delivers to its customer, or termination of this purchase contract.
- b. In addition, pursuant to approved deviation to FAR 52.215-2, audit/inspection rights of the Government of all records, records as defined in Paragraph (a) of FAR 52.215-2, shall be extended to five (5) years after Buyer receives final payment from its customer.
- c. The Government reserves the right to order the delivery of any technical data/software which is part of the above described design disclosure documentation and any test documentation generated or collected in the performance of this purchase contract within the extended timeframes described in the foregoing paragraph.
- d. Seller shall give adequate advance notice to Buyer and the Government of impending document destruction or disposal within the specified time frames of this purchase contract, all subcontracts, and all sub-tier subcontracts to allow adequate time to require the delivery of any any such design disclosure documentation.
