

What does this mean for you?

Each contractor required to be pre-approved must submit the following items in a data package in order to work on site:

1. Contractor Pre-Approval Form—Can be found at the Supplier Information Center - Contractor Safety Website - *Contractor Pre-Approval*
2. Injury and Illness Prevention Program (IIPP)—Examples can be found at the Supplier Information Center - Contractor Safety Website - *Additional Resources / IIPP*
3. Code of Safe Work Practices—Examples can be found at the Supplier Information Center - Contractor Safety Website - *Additional Resources / Code of Safe Work Practices*
4. Contractor Training Matrix—for employee(s) and supervisor(s). **Must include training expiration dates.** Supplier Information Center - Contractor Safety Website - *Contractor Pre-Approval* (Your company's equivalent form is acceptable.)

FAQs

What is the PWR Safety Policy?

Pratt & Whitney Rocketdyne will not be satisfied until its workplaces are safe from hazards, its employees are injury-free, its products and services are safe, and its commitment and record in compliance, pollution prevention, and protection of the natural environment are unmatched.

Do these requirements apply to subcontractors?

Yes. All companies involved in construction, factory service and maintenance/repair at PWR are required to be pre-approved.

Where can I find all the websites listed and get further information regarding the new requirements?

The contractor safety website can be found at:

www.rocketdynetech.com/supplierinfo/csp.htm

Is my security approval to come on site enough to meet the new requirements?

NO. This new safety requirement involves the evaluation of your company's

environment and safety programs and is in addition to the current security requirements.

When do I begin submitting information and when do I need to re-certify?

You can begin submitting documentation immediately. Re-certification is required each year, starting from the date of initial pre-approval to work on site.

How do I submit documentation?

Documentation **must** be compiled on a CD or other electronic format with a Table of Contents. Submit the package to the following address:

Pratt & Whitney Rocketdyne
ATTN: Paul St. Julian M/C RLB-53
Paul.StJulian-III@pwr.utc.com
6633 Canoga Avenue P.O. Box 7922
Canoga Park, CA 91309

Non-electronic packages will not be accepted.

Who can I contact if I have further questions?

For more information, contact your contract coordinator.

Additional contacts are:

Vic Saba—818-586-6736
Karel Miller—818-586-7845
